## Modeling and Simulation Body of Knowledge (M&S BoK) - Index

## Terms related with similarity

updated by Dr. Tuncer Ören: 2017-04-15

The terms are grouped under the following headings:

Simulation, Behavioral similarity, Functional similarity, Similarity in mathematics, Similarity in linguistics, Similarity in literature, Similarity in art, To be alike, Indistinguishableness, Hiding similarity, and Dissimilarity.

Simulation
autosimulatable
autosimulate (v)
autosimulated
autosimulation
autosimulationist
autosimulative
bisimular
bisimulatable
bisimulate (v)
bisimulated
bisimulation
bisimulative
co-simuland
co-simulatable
co-simulate (v)
co-simulated
co-simulation
co-simulationist
co-simulative
meta-simuland
meta-simulatable
meta-simulate (v)
meta-simulated
meta-simulation
meta-simulationist

meta-simulative
multisimulatable
multisimulate (v)
multisimulated
multisimulation
multisimulation-based
multisimulationist
multisimulative
non-simulatable
non-simulation
simuland
simulatable
simulate (v)
simulated
simulating
simulation
simulation-based
simulation-driven
simulationist
simulative
simulator
simulism
Model
model (v)
model-based

model-driven modelled modelling  Similarity alike analog analogical analogous analogy like likeness analogy like likeness pose (v) resemblance resembled resembling self-similar similar similar similarity similitude simulacra simulacra simulacra simulacrum  Dumitation copy imitate imitate imitate imitate imitation i	
modelled modelling Similarity alike analog analogical analogous analogy like likeness likeness likeness pose (v) resemblance resemblence resembled resembled resembled resembling self-similar similarity simila	model-driven
modelling  Similarity  alike analog analogical analogous analogy like likeness likeness likeness likeness pose (v) resemblance resemblence resembled resembling self-similar similarity similarity similarity similarity simulacra simulacra simulacra simulacra simulacrum  Imitation imitate imitate imitate imitation imitative imitation imitative imitation imitative imitator	
Similarity alike analog analogical analogous analogy like likeness likeness likeness pose (v) resemblance resemble (v) resembled resembling self-similar similarity similarity similitude simulacra simulacra simulacrum  Imitation copy imitate imitate imitate imitative imitation imitative imitation imitative imitator	
alike analog analogical analogous analogous analogy like likeness likeness likeness pose (v) resemblance resemble (v) resembled resembling self-similar similarity similarity similitude simulacra simulacra simulacrum Imitation imitate imitate imitate imitate imitate imitate imitation analogous analogus analogu	modelling
alike analog analogical analogous analogous analogy like likeness likeness likeness pose (v) resemblance resemble (v) resembled resembling self-similar similarity similarity similitude simulacra simulacra simulacrum Imitation imitate imitate imitate imitate imitate imitate imitation analogous analogus analogu	
analog analogical analogous analogy like likeness likeness likeness pose (v) resemblance resemble (v) resembled resembling self-similar similar similarity similitude simulacra simulacra simulacrum	Similarity
analogical analogous analogy like likeness likeness pose (v) resemblance resemble (v) resembled resembling self-similar similar similarity similitude simulacra simulacra simulacra simulacrum <b>Imitation</b> copy imitate imitate (v) imitated imitation imitative imitator <b>Behavioral similarity</b> mimesis	alike
analogous analogy analogy like analogy like ikeness likeness pose (v) resemblance resemble (v) resembled resembling self-similar similar similarity similitude simulacra simulacra simulacrum  Timitation imitate imitate imitate imitation imitation imitative imitator  Behavioral similarity mimesis	analog
analogy like like like likeness likeness pose (v) resemblance resemble (v) resembled resembling self-similar similar similar similar simulacra simulacra simulacra simulacrum	analogical
like likeness likeness likeness pose (v) resemblance resemble (v) resembled resembling self-similar similar similar similarv similarum Imitation Copy imitate imitate imitate imitate imitation imitative imitatior Behavioral similarity mimesis	analogous
likeness likeness likeness pose (v) resemblance resemble (v) resembled resembling self-similar similar similar similar simulacra simulacra simulacrum   Imitation copy imitate imitate imitate imitate imitation imitative imitator  Behavioral similarity mimesis	analogy
likeness pose (v) resemblance resemble (v) resembled resembling self-similar similar similarv similarut simulacra simulacra simulacrum	like
pose (v) resemblance resemble (v) resembled resembling self-similar similar similarity similitude simulacra simulacrum Imitation copy imitate imitate imitate imitated imitation imitative imitator Behavioral similarity mimesis	
resemblance resemble (v) resembled resembling self-similar similar similarity similitude simulacra simulacrum Imitation copy imitate imitate imitate imitated imitation imitative imitator Behavioral similarity mimesis	likeness
resemble (v) resembled resembling self-similar similar similarity similitude simulacra simulacra simulacrum  Timitation copy imitate imitate(v) imitated imitation imitative imitation imitative similator  Behavioral similarity mimesis	pose (v)
resembled resembling self-similar similar similarity similarity similitude simulacra simulacra simulacrum <b>Imitation</b> copy imitate imitate (v) imitated imitated imitation imitation imitative imitator <b>Behavioral similarity</b> mimesis	
resembling self-similar similar similarity similitude simulacra simulacrum  Timitation copy imitate imitate imitate(v) imitated imitation imitative imitator  Behavioral similarity mimesis	
self-similar similar similarity similitude simulacra simulacrum Imitation copy imitate imitate (v) imitated imitation imitative imitator Behavioral similarity mimesis	
similar similarity similitude simulacra simulacrum Imitation copy imitate imitate (v) imitated imitation imitative imitation imitative imitator Behavioral similarity mimesis	
similarity similitude simulacra simulacrum Imitation copy imitate imitate (v) imitated imitation imitative imitator Behavioral similarity mimesis	
similitude simulacra simulacrum Imitation copy imitate imitate(v) imitated imitation imitative imitator Behavioral similarity mimesis	
simulacra simulacrum Imitation copy imitate imitate (v) imitated imitation imitative imitator Behavioral similarity mimesis	
simulacrum Imitation copy imitate imitate (v) imitated imitation imitative imitator Behavioral similarity mimesis	
Imitation         copy         imitate         imitate (v)         imitated         imitation         imitative         imitator         Behavioral similarity         mimesis	
copy imitate imitate (v) imitated imitation imitative imitator Behavioral similarity mimesis	simulacrum
copy imitate imitate (v) imitated imitation imitative imitator Behavioral similarity mimesis	
imitate imitate (v) imitated imitation imitative imitator Behavioral similarity mimesis	Imitation
imitate (v) imitated imitation imitative imitator Behavioral similarity mimesis	сору
imitated imitation imitative imitator Behavioral similarity mimesis	imitate
imitation imitative imitator Behavioral similarity mimesis	imitate (v)
imitative imitator Behavioral similarity mimesis	imitated
imitator Behavioral similarity mimesis	imitation
Behavioral similarity mimesis	imitative
mimesis	imitator
mimesis	
	Behavioral similarity
mimetic	mimesis
	mimetic

mimicry
pantomime
pretend (v)
role plaing
Functional similarity
emulate (v)
emulated
emulating
emulation
emulative
emulator
Similarity in mathematics
automorph
automorphic
automorphism
automorphous
congruence
congruent
congruently
congruity
congruous
conjugate
endomorph
endomorphic
endomorphism
endomorphous
equivalence
equivalent
homolog
homologic
homology
homomorph
homomorphic
homomorphism
homomorphous
homomorphy

homothecy
homothetic
homothetic transformation
homothetism
homothety
isomorph
isomorphic
isomorphism
isomorphous
map (v)
noncongruent
noncongruently
Similarity in linguistics
alternative
equivalence
equivalent
homograph
homographic
homography
homonym
homonymous
homonymy
homophon
homophonous
homophony
isomorph
isomorphism
synonymous
synonymy
tautology
Similarity in literature
metaphor
metaphoric
pastiche
pataphor
pataphoric

Similarity in art
imitate (v)
imitation
pastiche
replica
To be alike
assimilate (v)
assimilated
assimilatingly
assimilation
assimilationism
homochromy
homotypy
mimesis
mimetic
mimetism
mimicry
Indistinguishableness
indistinguishable
indistinguishableness
indistinguishably
undistinguishing
to be mistaken for
Hiding similarity
dissimular
dissimularity
dissimulate
dissimulate (v)
dissimulation
dissimulative
dissimulator

Dissimilarity
dissimilar
dissimilarity
dissimilarly
dissimilate (v)
dissimilation

nilarity	dissimilitude
-	non similar
	unalike
	unique
	uniqueness
