

CSI 3140 – Laboratory 3

Practicing CSS

Do exercises 3.1 (implements your solution in an actual page), 3.2, 3.3, 3.20 from the book (pages 183,184 and 188).

Use <http://www.w3.org/TR/CSS21/> for your CSS references.

Validate (and correct) all of your XHTML pages with <http://validator.w3.org/> and your CSS files with <http://jigsaw.w3.org/css-validator/>

(See <http://www.w3.org/TR/CSS21/generate.html#list-style> for exercise 3.20)
