

ITI1120/ITI1520
Fall 2009/Automne 2009
Installing Microsoft Visio from University of Ottawa Website:

Please follow the following steps to download Microsoft Viso Professional Edition (2002 or 2007):

- Go to the MSDN academic alliance software center:
http://msdn06.e-academy.com/elms/Storefront/Home.aspx?campus=uoo_ite
- Use the Login link to log into the MSDN network using your infoweb account information. Your user name is your uottawa email (or example: mbar123@uottawa.ca). If you have any problem accessing this facility, please contact Lab Support Specialist:

Jacques Sincennes (jack@site.uottawa.ca)

- Once you are logged in, you will see a list of software that you have downloaded before. Click the Software button (at the top left of the screen) to display the list of available Software. From this list, choose Microsoft Visio.

Here are the steps of the installation process:

1. Login page:

The screenshot shows the MSDN Academic Alliance Software Center interface. At the top, there is a navigation bar with the Microsoft logo and the text "msdn academic alliance SOFTWARE CENTER". Below this, there are links for "Software" and "Support". On the left side, there is a "Log In" button and a "Log Out" button. The main content area displays a welcome message: "Welcome to your MSDN Academic Alliance Software Center!". Below this, there is a "Software" section with a description: "All of the software licensed under the MSDNAA Program is available here for students, faculty and staff at their convenience. Click on the Software tab above to see the complete listing of software." and a "Help" section with a description: "If you encounter any difficulties, please view the Support section above for answers to your questions and for information on how to contact the MSDNAA Program Administrator (PA) on your campus." On the right side, there is a grid of software boxes, including Microsoft Office, Windows, and Visual Studio. At the bottom, there is a footer with the text "Powered by e-academy" and a version number "v4.4".

2. Login username and password
